

Palmetto Wings Pipeline

FROM THE DIRECTORS:

We hope everyone had a Very Merry Christmas, and may your New Year be even better. We would like to say thanks to everyone that helped with the Christmas Party this year. Without your help, it would not have been possible. I hate that I had to leave the party early, but I was told I missed a great time. We had over 50 people in attendance. If you missed it, you missed a great time.

There will be a representative from Meals on Wheels at our next meeting and we will present them with a check in the amount of \$1,066. We will be taking suggestions for our 2014 charity and will make the decision at our February meeting as to which charity we will support. Keep in mind, the SC Rally is coming up May 1-3 in Florence. If anyone is interested in getting something together for the talent show please let us know. We would like to participate in as many areas as possible.

FROM THE DISTRICT RIDER EDUCATORS:

HAPPY NEW YEAR

Teresa and I would like to wish everyone a Happy New Year.

We hope that 2013 has been a full fun packed year. I would to take this moment to thank every member of our chapter for their commitment to safety for themselves and for their fellow riders. I know this year has been a year of various ups and down, with the passing of several of our members. With that having been said I would like to take this time to reflect and remember those who are no longer with us. In remembering, let's also take time to remember our service men, those who have given their lives so that we can live in a country that is free to ride as we please. As we prepare for our annual Frostbite ride we all need to remember we are a safety conscience organization, and as such we need to prepare our bodies as well our minds. This being traditionally a very cold day, and one that if you aren't prepared for the cold can take its toll on you. With this warning I want to arm our riders to be more aware of the consequences. Choose to follow the rules of the road, and the advice of those who actually have experienced the various hazards of not wearing the proper riding gear. I also know that as rider educator I can only suggest that we follow the rules of road, but as adults, we all have to make that hard decision as to how we will choose to ride. As we, all reflect over this past year, just maybe one thing will come to mind that when put to the test it may have saved your life while riding. With all that said, I can honestly say that as a whole we all try to ride with safety in mind.

As 2014 rolls in, as a rider educator I would like to see more of our members take a more active role in rider education, maybe then, we would be 100% in the level programs. In closing, I want to say Thank you to each and every one for listening to me over the various months, I know not all articles are received by all, but it's my way of giving back to the membership.

Hope everyone has a great year, looking forward to serving you the members.

"HAPPENINGS" FROM THE HORMELLS

Assistant Chapter Directors Tim & Miriam Hormell

Well here we are in a brand new year-2014. Many of us make new year's resolutions that we know we probably will never keep. We as a "GWRRRA" group always have great times when we get together. Perhaps this year we can plan more activities, catch a few other chapter meetings and ride-ride-ride. If there is a place you've always wanted to go-go for it! What are you waiting for? Enjoy your bike and your friends.

January Calendar

1-1-2014. Frost Bite Ride

There were 15 bikes, 19 riders and 3 came for breakfast. Had a great ride thanks to Carl and LaRue.

1-11-2014. S.C. District Officers Meeting in Lexington, SC.

1-11-2014. Chapter "E" Monthly Meeting.

1-18-2014. OCP Class in Belton, SC.
