

FROM THE DIRECTORS:

Hello Chapter E

Fall is just around the corner, so hopefully some cooler riding is in our near future.

Carl decided to cancel the trip to Johnson City due to the weather forecast, but he put together a couple of other rides that we hope were enjoyable.

Carl, Larue and Jerry delivered the Tweety to Newberry. We hate we couldn't make the trip, but felt like we needed to be at the hospital with our family.

The SC Convention has been set for July 16-18, 2015 in Anderson. Complete details to follow.

Remember, if you have a ride in mind that you would like to take, please contact us and we will put it together.

Thanks for all the calls, texts, emails and visits during the time my Mama was sick and her passing. It's friends like y'all that help us face the next day.

FROM THE CHAPTER RIDER EDUCATORS:

LOOK TO FALL

Shorter days, longer shadows, cooler temperatures....it's autumn. Fall offers some great reasons to get out and ride:

It's a great time to check out the scenery - Fall provides an amazing palette with the turning leaves. Some of the best roads to ride are often in areas where there are a lot of hills and trees that are the perfect canvas for autumn colors. Nature's artwork is often best viewed from a motorcycle.

You can take advantage of the cooler temperatures - Cool, crisp air is very refreshing this time of year. Riding temperatures can be so much more comfortable than in the summer heat. There is something about the smell of the falling leaves that makes it so inviting to be outdoors.

You can truly justify wearing leather - Leather looks cool. And milder temperatures make it much more comfortable to wear. So strap on the chaps, pull on the leather gloves, and don your toughest-looking leather jacket. You'll be comfortable and look sharp. And of course, not to mention the added safety benefits of wearing leather.

You can grab a a last chance to ride - For those that live in parts of the country that don't get to experience warm climates all year round, fall is the last chance for riding before it's time for the bike to hibernate for the long winter. All those roads you still want to hit, all those buddies you still want to do a ride with.....do it now. It could be snowing soon

Always remember to ride safe!!!

Jerry & Teresa Hill

Happenings from the Hormells

Labor Day week-end rides

Carl Hallman had planned a week-end in Johnson City, Tn going on day rides from there; however the weather did not co-operate so Carl planned day rides from home. On Saturday we had 6 bikes and 9 people that rode to Cashiers, NC. We had lunch at the Sage Brush in Waynesville - had a great time!

On Monday, September 1st we had 8 bikes and 11 people go to Black Mountain, NC. Enjoyed A great meal at Okie Dokies Smokehouse in Swannanoa, NC. We stopped to buy some of those "good NC apples" on the way home. Had great fellowship all week-end!!

Sept 13 - Chapter "E" Regular monthly meeting

Sept 27 - chapter "S" captured the plaque. Details later.

Sept 25-27 Wings Over the Smokies will be in Cherokee, NC. At the Acquoni Expo Center 1501 Acquoni Road. There are 67 vendors registered to be there. Really looking forward to this District convention.

October 4 - District Picnic at the Community Center in Whitmire, SC. 122 Glenn Street from 10:00 am until 2:00 pm.

Join in on some of the FUN when you have the opportunity.

Tim & Miriam Hormell
Assistant Chapter Directors

From MEC:

We had a very busy month starting with our monthly meeting on August 9th with 40 members and 23 visitors. When people started coming in there were more visitors than members and I was getting worried but our faithful members made it in and we had a great group for the meeting. Also had a group of 18 people go to Dillard's for ice cream after meeting.

August 5th we met at Five Guys with 15 members and 3 visitors.
August 12th we met at Lazy Chicken with 17 members and 2 visitors.

August 19th we met at Dino's with 9 members and 2 visitors.

August 26th we met at Stax's with 13 members and 5 visitors.

As you know this past weekend was Labor day and because of rainy weather our trip to Johnson City was canceled. That did not stop our riding. On Saturday we met at the Hot Spot in Easley and Carl led 6 bikes and 9 members on a ride up to the mountains for lunch at Sagebrush restaurant in Waynesville, NC.

On Monday we met at Hardee's in Travelers Rest and rode up to the Blue Ridge Parkway to Black Mountain NC and ate at the Okie Dokie Smokehouse in Swannanoa NC. The food was excellent. We had 8 bikes and 11 members go along for the ride. A huge thank you to Carl for getting these 2 rides together.

Just a reminder to each of us to check our cards to make sure it is still active.

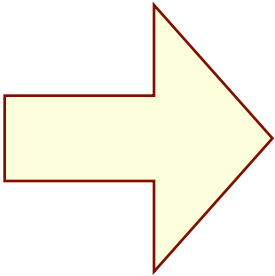

Have a great month and let's ride as much as possible as cold weather will be here too soon.

Peggy Holder
