Director's Corner

2011 is Chapter E's 25th Anniversary, Here are a few facts we thought you might be interested in knowing. In 1986, Ralph Hood, Roger Kuyendall, Van Vance and Bill Lawson took a trip to Columbia, SC to get a Charter for Chapter 'E', the requirements for forming a Chapter at that time was 5 couples. The first Director was Allen Bright. The first meeting place for 'E' was the Best Western located on Laurens Rd. in Greenville. Chapter members meet at chapter member's homes when the Best Western closed and continued until Ralph Hood was appointed State Director. Chapter 'E' has grown from the original 5 couples to over 100 members. Roger Kuyendall is the only living GWRRA Member who started this chapter. Robert & Joyce Spooner were one of the earliest couples to join. (This information was furnished by Faye Hood and Roger Kuyendall).

"CELEBRATING 25 YEARS"

We all had a great time at our annual Christmas Party. We had 49 members and 2 guests, Tyler (grandson of Jerry & Teresa Hill) and Dana (daughter of Jesse & Sue Sammons). The Christmas decorations were beautiful, thanks to all those who came and helped decorate. We had enough food for an army and it was delicious. As usual, there was no problem with the food being eaten. Polly Wells was about to get physical when all the gifts were given out. I think her gift was stolen 3 or 4 times. We need everyone to start looking for a new place to have our party next year. The building we have used for the past two years has been given to the local Fire Department. Maybe something closer in, not to expensive and already decorated. (not asking to much are we?).

Rick and I want to thank the following members who have stepped up and agreed to be part of our CHAPTER 'E' TEAM...

A FEW WORDS FROM OUR NEW OFFICERS

Hope everyone had a Merry Christmas and a Happy New Years.

We are looking for an active and busy year in 2011.

Larry & Sandra Kelly, Assistant Directors

Hi, I am the new Chapter "E" Treasurer, actually I'm a retread, as I was previously the Treasurer from 2004 to 2009.

There are no dues required to belong to Chapter "E". We support our Chapter thru the 50-25-25 drawing proceeds. Please participate in the drawing at our monthly gatherings so that we have funds available to meet the chapters expenses.

In the next Chapter newsletter, I will outline our recurring expenses.

Steve Lavigne

Hi, everyone, just wanted to let you know that LaRue and I are co-chairs for the scrapbook this year. We need your support for pictures taken at events since May 2010 until our Convention this coming May. If they are digital prints you can send them to me via e-mail at sllavigne@charter.net. We appreciate any help you can give us. Lets get another 1st place!!!!

Connie Lavigne

I hope each and everyone of you had a very Merry Christmas, and a Happy New Year. The Chapter Christmas Party was with great food and plenty of laughter. If you missed it, well, you just missed out. Hope you can make it for the next one. 2010 is over and a new or different year is under way. The Chapter has new Directors, a new MEC (at least a different one) a new or different Treasurer and more. Be sure to come up to date on who is now playing what role in YOUR Chapter. The officers and staff have already been hard at work to make sure 2011 is a good year for Chapter "E"'s twenty fifth anniversary. Let's make it something to celebrate. I look forward to working with you and ask that you give me a little time and patience while I bring my records up-to-date. I may have to ask you the same question more than once to make sure it is correct. Until next time.

Jerry Landreth

MORE FROM OUR NEW OFFICERS

Hello, everyone! Polly and I will be doing the Information Line this coming year for Chapter E. We will appreciate you sending us any and all information (such as changes of addresses, email changes, rides etc) that needs to be distributed to the membership. Our email address is wellssonny@gmail .com and our phone number is 864-422-1634. We look forward to working and riding with all, in the coming year.

See you at the January meeting.

Frank & Polly Wells

What is the project? One of our goals is to help a local charity. Chapter E's "project" is to raise money for our charity which is Meals On Wheels.

What is the project gift? The gift is donated by Chapter members every month. The key word here is **donated** by our Members and it comes from the **heart**. At our November meeting, members have the opportunity to sign up for a month (Jan.-Nov.) in which they will be donating a gift.

What happens after the gift is donated? At our monthly meetings, members of Chapter E and guests purchase tickets for a chance to win the gift. We give members the opportunity to purchase whatever amount they would like.

What is the responsibility of the Coordinators? We notify the member that sign up for that month to provide a friendly reminder that you signed up to donate the gift. When you sign up in November for a gift in July -well- we can forget.

For some reason if that member cannot donate a gift, it is our responsibility to locate another member that is willing or we do it ourselves.

We look forward to having fun with the Chapter in 2011.

Milt & Sandra Richards

Hi, I am the new (not so new planned rides last year), ride coordinator. Right now I have 10 rides on my list, I am going to wait until after the January meeting and then publish a schedule to hand out at our February meeting. I will entertain any suggestions from the chapter my main thrust will be to schedule the rides for the third Saturday of the month. That way I can inform everyone of the upcoming rides at our regular meeting the week before. Some months may have more than one ride on the schedule. Look forward to riding with you, In 2011....

RIDER EDUCATION

Hello Fellow Goldwingers,

This 2010 year has been a tough year for South Carolina. GWRRA has experienced several injuries and tragedy's amongst our GWRRA members.

We, as an older generation, are failing to recognize the warning signs that our bodies are trying to tell us. Also, other elements such as fatigue, possible heat stroke, along with other factors such as cold weather, and wet weather. Our motor skills are not as sharp as they once were. We are going to have to use more caution along the way. We need to obtain as much knowledge as we can. So that we can be prepared, for the unexpected which could appear upon us, in a split second.

Today, I am sharing my knowledge that, I obtained the hard headed way. I choose to ride with my helmet. This is due to the fact of being a proud owner of cracked helmet. The helmet was cracked open all the way down the middle, after I had an accident many moons ago.

Also, I will choose to wear my riding boots after seeing a horrifying picture of a open wound of someone who was wearing flip flops. That was one gross picture, let me tell you!

And I will choose to wear proper apparel. As I recall, the road rash that my body endured way back then. Along with the many months of recovery, this was not a pleasant time in my life.

Everyone has the freedom to choose where, when and how they ride their own ride. Everyone has the right to make their own choices or pay the consequences. Many of you think that it won't happen to you. Don't fool yourselves. It can happen when you least expect it! I don't want to wish any injuries on any fellow gold wing riders.

Also, I am not here to preach at anybody! I'm just an individual, who is asking from my own experiences, that each person seek safe riding knowledge. And to practice that knowledge when our bodies are crying out when something is wrong. Take safety seriously.

Each month in the newsletter and at our monthly gatherings, I try to bring something new to the table that may or may not be known to our members. I hope that, together we continue to learn from many more knowledgeable conversations. I really enjoy obtaining all the knowledge this old brain can absorb.

In 2011, we need make it an accident free year not only for ourselves, but for all our GWRRA members across this state! We all need to talk up safety!!

Help us reach this goal.
